After publication of the original article, it came to our attention that the samples used for the MMPs and TIMP-1 measurements were serum samples instead of plasma samples. Therefore,

Received: 17 September 2015 Accepted: 17 September 2015
Published online: 28 September 2015

1. *Plasma* levels of MMPs and TIMP-1 in the title, abstract, methods, results and discussion section should read *serum* levels; and
2. In the discussion section the sentence, “Possibly the serum measurement does not truly reflect the circulating concentration of MMPs and TIMPs compared to the plasma measurement” should be disregarded.

We apologize for any inconvenience.
